

On January 31, 2003, WorldCom, Inc., by its attorneys, filed its response to the United Church of Christ's Petition for Rulemaking. It has come to our attention that there was an electronic formatting problem, and the filed document includes several formatting errors. WorldCom has thus filed the same comments, but in a different PDF format to clear up the formatting issues. The January 31 filing was Confirmation # 2003131524712 and the corrected version is Confirmation # 2003221492130. We apologize for any inconvenience. Thank you for your attention.
